

Only You Boutique Hotel

MAKE YOUR STAY IN THE HEART OF MADRID AN
EXCLUSIVE EXPERIENCE

Only You Hotel is a chic, modern, fully reformed palatial four storey neoclassical townhouse located on Calle Barquillo in the fashionable district of Chueca, Madrid. Barcelona-based designer Lázaro Rosa-Violán has created a striking interior design scheme using Spanish classic-contemporary style throughout: modern furniture in high-quality materials, quirky details and designer decor. A wall of gleaming white tiles painted with Oriental designs in crisp blue tones conceals the lifts and sets the tone for the décor in the hotel's 125 individually decorated rooms and suites, which are predominantly white with navy and co-ordinating deep pile carpets. There are 114 Deluxe rooms and 11 suites. Original wooden beams blend with the chic interiors that feature maps of Old Madrid printed on the walls or doors. Luxury touches are abundant with goose-feather duvets, mini bar, bathrobe and slippers, and bathrooms with rain-showers, marble floors, professional hairdryers and complimentary Hierbas de Ibiza toiletries. Wi-Fi is free. Only You Hotel offers an exquisite à la carte breakfast served anytime throughout the day in the restaurant's glass covered central courtyard. Located on the ground floor along with the lounge and bar, the restaurant also serves modern Spanish cuisine and snacks. The main focus, though, is the lounge bar decorated with mirrored wall panels, which has an extensive cocktail list, over 30 brands of gin and features live DJs and musicians - a popular venue for stylish locals. Only You Hotel is the only bar in Madrid with the Veuve Clicquot partnership, so their Champagne cocktails are a must. All guests receive a complimentary Veuve Clicquot - perfect to sip on the outdoor terrace. Only You bring a new, trendy concept to luxury hotels - anytime breakfast, anytime tapas and your room for 24 hours from anytime check-in.
